OBJECTIVE

Experienced front-end developer adept in cross-functional collaboration, problem-solving, and user-centric design. Proficient in modern front-end technologies, version control, CSS methodologies, and effective communication. Committed to continuous learning and delivering high-quality, accessible web applications.

EXPERIENCE

Front-End Developer Angular UI Developer NTT Data Europe & Latam Remote	<i>Dec 2020 – Mar 2024</i>
Alongside NTT Data I participated in diverse and impactful projects in many different areas such as finance, health, telecommunications and service providers. Just to name a few:	
Angular UI Developer Telecommunications Project Movistar Empresas	<i>Aug. 2023 – Mar. 2024</i>
Constructing an incredible new front-end for the payment module. Also, I had the responsibility of defining the use of styles on the project, carrying out best practices, and constantly applying QA to the new developments to ensure their quality and proper application of the guidelines.	
Angular UI Developer Finance Project Inter-American Development Bank	<i>Dec. 2021 – Apr. 2022</i>
Led the development of the new site for APC service for the Inter-American Development Bank, by creating and applying different proof of concepts to make crucial decisions for the website construction.	
Angular UI Developer Health Project Clínica Alemana	<i>Jun. 2021 – Nov. 2021</i>
Facilitated the refactoring of components from Storybook to Angular Components and played a pivotal role in constructing web pages at Clínica Alemana, collaborating closely with the Design Experience Team.	
Angular UI Developer Finance Project BCI Wholesale & Investment Banking	<i>Dec. 2020 – Jun. 2021</i>
Contributed to the creation of the internal key project ‘e-sales’, a business-oriented software for sell/buy stock though one of major banks in Chile, BCI Bank.	
WordPress Developer Freelance Remote	<i>2028 – 2020</i>
Independently managed and executed web development projects, demonstrating proficiency in WordPress, Elementor, and cPanel.	

EDUCATION

Computer Science Technological University of Chile INACAP Temuco, Chile	<i>2018 - 2022</i>
Graduated with diploma in Programmer Analyst program.	

CERTIFICATES

EF SET English Certificate 66/100 (C1 Advanced)	<i>Granted May 2024</i>
Scrum Fundamentals Certified (SFC)	<i>Granted May 2021</i>
